JCQ Contingency Sessions

We would like to draw your attention to the JCQ Contingency sessions during the 2025 Summer Exams.

These are timetabled for the afternoon of the 11 June and the day of 25 June 2025. The designation of a 'contingency day' within the common examination timetable is in the event of national or significant local disruption to examinations in the United Kingdom. It is part of the awarding bodies' standard contingency planning for examinations. Centres must therefore remind candidates that they must remain available until Wednesday 25 June 2025, should an awarding body need to invoke its contingency plan.
