Dear Parents and Carers,

Coronavirus Update 7

I have one important addition to the information which we sent out from the school yesterday afternoon. We have now received the government's definition of Key Workers, the occupations which are essential to protect. Please let us know as soon as you can – and certainly by the end of the school day – if your own work falls into one of these categories and if your son or daughter cannot be safely looked after at home.

I trust that you have already seen the form which we have put on e-Praise.

My thanks to you all for your support and good will.

Yours sincerely,

Natalie Waters
