21st March 2022

Congratulations to **Eloise Harris**, **Holly Dufty**, **Armands Zvaigzne**, **Erin Sanders**, **Anna Garbett-Sweet**, **Amy Meredith**, **William Miles**, **Joshua Wood**, **Nicola Pawlak**, **Daniel Sant**, **Robbie Elliott**, **Abi Parmley**, **Georgia Howes** and **Keira Yates** on their entries in the Mock Trial Competition at Worcester Magistrates Court on Saturday.

Both the prosecution and the defence teams won their respective cases, with Amy Meredith receiving the award for Best Defendant during the course of the day. Daniel Sant was the court reporter. A special thank you to **Freya Richardson** in Year 12 for all her help throughout the course and **Ewan Sanders**, for support on the day.

Girls' Football

On a very wet Wednesday, sixteen Droitwich Spa High School footballers visited Bishop Perowne High School to play against a Year 8 and a combined Year 9 and 10 teams. Undeterred by the conditions, the players all demonstrated great teamwork and resilience.

The Year 8's played

spititely, with Ania scoring a goal, although they eventually lost 5-1. The Year 9/10 team led 1-0 at half time after a goal scored by Caitlin Valle. Although they fought hard to maintain the lead, a short corner in the final few minutes saw Bishop Perowne equalise, making a final score of 1-1. Well done to **Ania Waldman**, **Charlotte Jennings**, **Mollie Weston**, **Phoebe Brindley-Jones**, **Claire Brownlee**, **Grace Dean**, **Sophie Parkinson** (Year 8), **Hannah Jordan**, **Caitlin Valle**, **Amelia Ishola**, **Lexi Smith** (Year 9), **Gia Bayliss**, **Grace Oakley**, **Jas Kaur**, **Izzy Simpson**, **Grace Simpson** (Year 10). Particular congratulations to **Charlotte Jennings** and **Amelia Ishola** who were nominated Players of their Matches.

Boys' Football

The following represented the school in the County Cup semi-final on Tuesday, winning 3-1 and so progressing to the final. Matty Nestorowski scored twice and Jack Turberville scored once.

Miles Buffery, Rico Holloway, Harry Caffery, Callum Cowan-Jones (Captain), Harry Pugh, Leo Goddard, Noah Reed, Joe Fisher, Nicholas Oraczewski, Matty Nestorowski, Jack Turberville, Charlie Williams, Jon Rogers and George Duggan

Pets as Therapy

On Monday we welcomed Maddie Henn, one of our ex-students, back to the school with some four legged friends from Pets as Therapy. Maddie is currently in her final year at Worcester University and is using her dissertation to study the use of therapy dogs and dance to improve mental health and reduce stress. A number of our dancers have been very willing volunteers in this project and had a most enjoyable session at the start of the week. Everyone is looking forward to session two next week.

Sixth Form

In Sociology **Tia Cole** is working very energetically. She has completed 13 past paper questions in a fortnight, an outstanding amount.

Reece King 12JHS kindly volunteered to take charge of the tutor group's cress.

In Biology **Felicity Jones** in Y13 has been invited to attend Team Selection for the International Olympiad. This follows her high score in the preliminary round and leads to a selection week at the University of Warwick. Beyond that lies selection for the Great Britain Team in the Olympiad in Armenia in July.

Rowan Dennett has gained a place on the summer school for the Geography Earth Science course at Oxford University and **Harriet Rochelle** has been successful in obtaining a place on the Human Sciences residential week. There is intense competition for places on these summer schools, so they have already done very well.

Year 10 Silver D of E

The Year 10 Silver students listed below have this weekend completed their Silver DofE training walk over the Malvern Hills. They showed impressive determination in rather wet and muddy conditions.

The expedition prepared them for the qualifying expedition on the Long Mynd at the end of April.

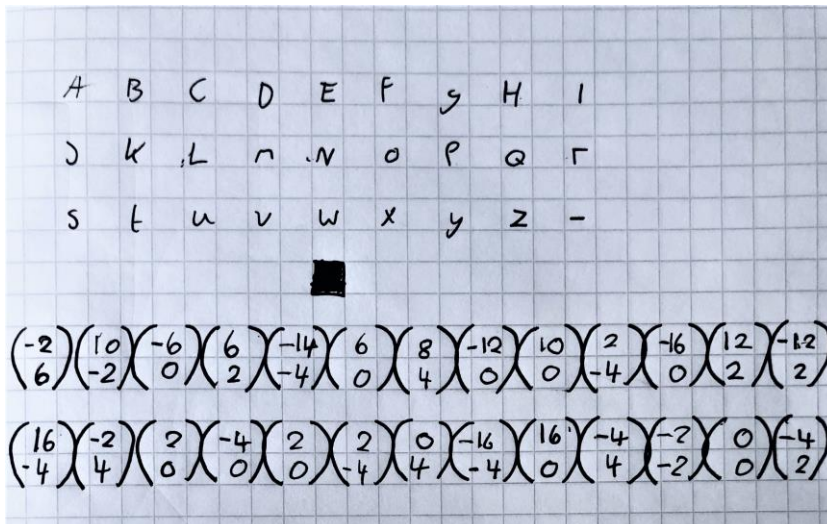

Chloe Hodgson, Emily Dutton, Corey Fincher, Bea Rusby, Sally Baker, Joe Cundy, Ethan Higley, Bryn Lambe, Alice

Ralphs, Isaac Stacey, Sam Milligan, Jordan Groves, Grace Rusby, Sylvia Scattergood, Isabelle Edwards, Molly Still and Annabel Brannan

Year 11

Well done to 11B for their continued perseverance and good attitude to their studies in German, particularly in overcoming their nerves and for trying so hard in their mock speaking exam.

Year 10

Chris Brown produced this excellent translations puzzle in Maths this week. To have a go, start at the black square and follow the column vectors in turn (don't return to the black square in between) to decode the message.

Ella Blakemore (Year 10) and Stevie Andrews (Year 11) were awarded Star of the Week at their Hair and Beauty course.

In PSHE Charlie Harris, Ashton Dew, Lucy Cure, Joseph Summers and Hayden Pimley have worked hard to create their CV's and in researching jobs.

Madelyn Howl, Ella Blakemore, Dillon Richardson, Alex Smith and Harrison Matthews have been working well in their Biology lessons.

Kaycee Bradley, Maddie Howl and Izzy Brookes have all completed some very good work on reflection.

In Maths 10L2 have been very successful in their transformation work.

Maggie Collins and Josh Halkett made excellent contributions to class work on "Exposure", Wilfred Owen's poem.

Year 9

In Philosophy & Religion the following have worked hard and been rewarded in their assessment:

Jessica Clifford, Poppy Hatfield-Evans, Rhianna Heywood, Callum Jenkinson, Callum Lewitzkyi, Rhys Maidment, Erin Sanders, Lily Sharpe, Joshua Wood.

Kyle Rooney has completed lots of Currency and Exchange Rate work to an excellent standard. Kyle has received a commendation point for consistently remaining focused and working hard in maths.

In PSHE members of 9RR have mature contributions during class discussions.

Year 8

Sophie Holland, 8FS, has made a super start as our new Form House Captain.

In PSHE Molly Pritchard, Fin Garlick, Stuart Bostock, Niall Matthews, Oscar Putt, Kloe Jagielski, Tasmin-Grace Malone, Abigail Plant, Annabelle Burton, Drew Hankins, Ted Kirton, Romeo Midani have made mature contributions to class discussions, justifying their thoughts and opinions.

8R DWCA PE have developed their team work and communication skills; Danny Jones has shown himself a promising leader.

In Philosophy & Religion, members of 8RD successfully discussed a philosophical question during a Socratic Circle this week.

In Maths Harry Cole has produced some excellent reflection and enlargement work.

In Maths Dan Evans, Lily Smith, Rebecca Johnson and James Lewis have all worked well collaborating to tackle difficult enlargement problems.

Well done to students in 8LD and 8RR for the excellent results in their recent German writing and reading assessments. They continue to have a pleasing attitude to their studies and are persevering at mastering new grammatical structures and vocabulary, which are now becoming more challenging. A special mention to the following students, who have produced outstanding written work and made a real effort to be highly accurate with spellings and verb endings and have incorporated some impressive, complex opinion phrases and justifications into their pieces of writing. Maria Dabal, Grace Dean, Drew Hankins, Sophie Holland, Millie Lang, Hannah

Marshall, Oscar Sach and Isabelle Shewell, Erin Baker, Florence Bird, Fern Callow, Emily Colley, Bethan James, Aleisha Layton, Lizzie Marshall, Viya Patel, Evie Pinder and Isabella Ross in 8L/DeD.

Especial credit to Penelope Crabb, Mary-Jane Peace and Charlotte Tromans, who were all outstanding in the reading assessment and scored full marks in the writing element.

8LR completed excellent follow up from their work on Montserrat. They have been involved and full of ideas for the rebuilding of the island following the eruptions.

Well done to all of 8L Hyena who successfully recorded a whole class performance of the chorus of "Rivers of Babylon" this week. There were a total of three separate instruments used as well as four different musical parts. Well done especially to Lucy Core, Dan Evans, Pippa Lang and Paige Shaw on ukuleles

Charlie Drinkwater has taken part in the England Talent Pathway for Angling. At the end of four fishing sessions, five fishermen/women (out of the 45) will be selected to represent England at Under 15 level in August in Slovenia.

In Maths, 8RR worked really well together to produce some very pleasing team presentation slides on scale factors.

8RR also created effective freeze-frames to represent ideas in the poem 'Limbo'. They then went on to analyse of the poem very effectively.

And Finally....

Congratulations to Parks House who won the cress growing Competition as part of Science Week.
